OCV'd. SOS Dots is not just a beautiful cow! She has massive horn, size, color and is one of the quietest cows in our pasture. Dots measures over 92" tip to tip and has proven to be a great mother that has raised a large solid bull calf this spring out of Cowboy Ringman "YAK" CCC. We can't wait to see all she will add to our herd in the future.

**Total Horn:** 95.2500 on 04/20/2020  
**TTT:** 92.7500 on 08/12/2023
