LL storms A Brewin is a cow that has a beautiful lateral horn set that can enhance any pasture you put her in. Her excellent maternal instinct and her being a genetic powerhouse helps her become one of our go to cows. She is currently pushing 90 inches just after her 5th birthday and is super fertile. We are so happy to have her here at Twin Canyons and excited to see her next calf out of an AI to KDK Wildfire will do.

**Total Horn:** 92.8750 on 12/26/2022  
**TTT:** 88.1250 on 05/29/2024
